Re: Environment Agency Examinations

As you may be aware the Environment Agency will be targeting consignments of export cargoes to ensure compliance of the Transfrontier Shipment of Waste Regulations 2007.

The method of notification will be via e-mail with an attached inspection form indicating the container number. This will be sent to the Shipping Line and Port of Felixstowe.

Following examination a charge of £81.20 will be raised to the controlling Shipping Line

The above is issued as an addendum to our published tariff and will be effective from Monday 7th September 2009.

Yours sincerely

J. Moore.
