

MY NAME IS NICK ANDREWS AND I WAS

WORKING IN ANCASTER ROAD LAST NOVEMBER - DECEMBER
EXTENDING THE HEIGHT OF THE FENLING RUNNING
PARALLEL WITH THE STATION.

THE NOISE WAS AT BEST ANNOYING.

THE FUMES AT BEST OFFENSIVE,
IN FACT ON ONE OCCASION WHEN THERE
WAS NO WIND THERE WAS A BLUE HAZE COVERING
THE AREA WHICH IN TURN CAUSED ME TO FINISH
WORK EARLY AS I COULD FEEL A TIGHTNESS
ON MY CHEST.
