

## New features of VBS2.

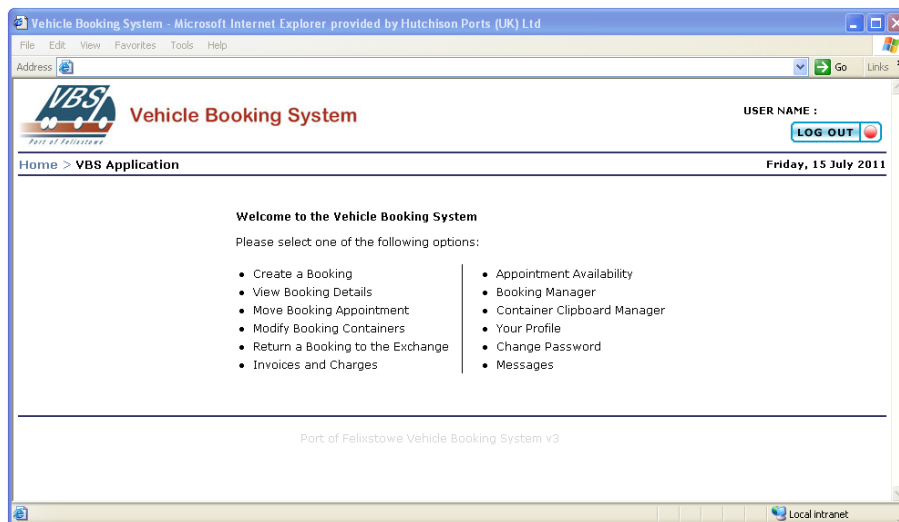

Although VBS2 closely resembles VBS1 in terms of screen layout and usage there are some important changes which will affect the way it is used by the haulage community.

The following guide lists all the changes/new features of VBS2 and provides a brief explanation of each change and it's operational impact.  
A comprehensive, fully updated user guide will be published shortly.

## Main menu.

The following changes have been made to main menu screen.

The “Load and Go” option has been incorporated into the “Create a Booking” function and “Your Accounts” has been renamed “Invoices and Charges”.

## Create a booking.

Incorporates Load and Go function.

Seal details are now mandatory for deliveries and empty containers must now be confirmed as such.

The screenshot shows a web browser window titled "Create a Booking - Microsoft Internet Explorer provided by Hutchison Ports (UK) Ltd". The address bar is empty. The page header includes the VBS logo, the text "Vehicle Booking System", and "Port of Felixstowe". A "USER NAME:" field with a "LOG OUT" button is visible. The breadcrumb trail is "Home > VBS Application > Create a Booking" and the date is "Friday, 15 July 2011".

The main content area is titled "Booking Summary" and contains two tables:

Deliveries (Exports)		
<input type="checkbox"/> Container	Seal Number	Empty
<input type="checkbox"/>	<input type="text"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="text"/>	<input type="checkbox"/>

Buttons: Clipboard, Remove, More

Collections (Imports, Frustrated Exports)		
<input type="checkbox"/> Container	Release Information	Load & Go
<input type="checkbox"/>	<input type="text"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="text"/>	<input type="checkbox"/>

Buttons: Clipboard, Remove, More

At the bottom of the form area, there are two buttons: "Main Menu" and "Create Booking".

The footer of the page reads "Port of Felixstowe Vehicle Booking System v3". The browser status bar shows "Done" and "Local intranet".

The screenshot shows a web browser window displaying the 'VBS Vehicle Booking System' interface. The page title is 'Invoices and Charges' and the date is 'Wednesday, 13 July 2011'. A 'LOG OUT' button is visible in the top right. The main content area is titled 'Invoice and Charge Summary' and contains a table with the following data:

	No Shows	Guaranteed	Invoice
Jul 2011	27	6	
Jun 2011	80	9	
May 2011	0	0	A0500068
Apr 2011	0	0	A0500058
Mar 2011	0	0	
Feb 2011	0	0	

Below the table is a 'Main Menu' button. At the bottom of the page, it says 'Port of Felixstowe Vehicle Booking System v3'. The browser's address bar shows 'Done' and 'Local intranet'.

If you click on the invoice you will be asked to open a PDF file.

The screenshot shows a Windows 'File Download' dialog box. The title bar reads 'File Download'. The main text asks 'Do you want to open or save this file?'. A PDF icon is shown next to the file details:

Name: A0500058.pdf  
Type: Adobe Acrobat Document, 160 KB  
From: bellnm

At the bottom, there are three buttons: 'Open', 'Save', and 'Cancel'. Below the buttons is a warning icon and text: 'While files from the Internet can be useful, some files can potentially harm your computer. If you do not trust the source, do not open or save this file. [What's the risk?](#)'

The invoice is displayed.
